

Council Chambers-City Council
City Hall-City of Lodi
Monday, November 17th., 1930

This regular meeting of the City Council of the City of Lodi was called to order by the Mayor at 8 o'clock P.M. on the date first above written, Councilmen Keagle, Roach, Steele, Weihe and Spooner present, none absent.

The minutes of the last regular meeting held November 3rd., 1930 were read, approved as read and so endorsed by the Mayor.

No persons appearing at this time, the order of Public Hearings was passed and the Council proceeded to hear the reading of Communications and Reports.

A letter signed by Mr Geo. C. Pardee, President, was received, read and ordered answered by the Mayor in the name of the City Council, the same being in reply to the offer of this City as contained in Resolution No. 622, adopted October 20th.

Bulletin No. 13 of the League of California Municipalities relating to the unemployment problem was received and ordered filed.

The Clerk reported that the United States Geological Survey contemplated the establishment of a standard evaporation station and desired that the City allocate sufficient space for the same and share in the cost to the extent of erecting a fence surrounding the plot, the government to supply all instruments. On motion duly put and carried, the request of the Survey was ordered granted and sufficient space allowed in Lawrence Park.

Four building permits aggregating \$650.00 were granted.

On motion of Councilman Weihe, Keagle second, it was moved that Section 4 of Ordinance No. 164 be so amended that the fee for turning on water and electricity would amount to \$1.00 for both services.

In the matter of the disposal of storm waters at the junction of Central Avenue and Poplar Street, Mr J.A. Henning, Superintendent of Public Utilities submitted an oral report and a diagram showing the elevations in adjacent territory whereby it was evident that approximately 75% of the water came from lands outside the City. The City Clerk was directed to see Supervisor J. J. Stuckenbruck regarding co-operation by San Joaquin County in solving the problem.

Inspector R.B. Steyer of San Joaquin Local Health District addressed the Council regarding continuance of the Martin Camp Ground on Lockeford Street, also, he desired some financial aid in draining the pool formed at the discharge end of the Sacramento Street storm drain North of the Winery. On motion of Councilman Weihe, Roach second, the sum of \$75.00 was ordered made available out of the Mosquito Control funds in the annual budget.

Bills in the amount of \$2,235.06 being for semi-monthly payrolls, were allowed on motion of Councilman Weihe, Roach second.

At the order of the Mayor, the City Council adjourned to and until the day and hour of its next regular meeting.

Attest:

City Clerk.

The foregoing minutes read
and approved without correction
December 1, 1930.

Mayor of the City of Lodi
